## OUR STORY

For the past 88 years, The Maples Family has raised registered Angus cattle in Elkmont, Alabama. Maples Stock Farm, established in 1818, is one of only 8 farms to have the distinct honor of being named an Alabama Heritage and Alabama Bicentennial Farm. What began as a herd of 4 Angus heifers in 1937 has continued to grow. Today, 4 generations live and work on the family farm.

## LETTER FROM BEN

Welcome!

The farm has been in the family for over 200 years and home to registered Angus cattle since 1937. We produce cattle we know will work for producers in the Southeast because they continue to prove themselves on our farm. We use the latest technology in genomic testing to provide our buyers with the most accurate information about each bull. Each bull offered at our sale is backed by the tradition of one of the oldest registered Angus farms in Alabama and the transparency provided by modern technology.
